Applewood Women's Golf Club (AWGC) is a morning league which starts the first Tuesday in April and runs through the last Tuesday in October. Members are accepted at any time during the year. The weekly league rate is \$19 to walk and \$32.59 to ride with the Players Club card (required). Annual Players Club membership is \$29.95. For more information contact: *Vice President & Membership Chair: Amber Hudson* ahudson1832@gmail.com 720-626-4730

*If you don't have a United States Golf Association (USGA) issued Golf Handicap and Information Network (GHIN) number, one will be assigned after submission membership application and check. After you receive your GHIN number, you will then be required to post the equivalent of 54 holes (any combination of 9-holes) of golf scores in order to establish a USGA Handicap Index. You must establish a handicap index by June to be eligible to compete in AWGC Tournaments and "Plays-of-the-Day." *Handicap Only* are not eligible to participate in AWGC weekly prizes or tournaments.

Please note, applicants without a Handicap Index or an Index over 50 may be asked to play with a board member to assess knowledge of golf and capability of the applicant to play within the league. We welcome and encourage all levels of players familiar with rules of golf, mindful of golf etiquette and pace-of-play.

If you have been an active member and are not planning on returning this season or need some time away, we now have the option for you to pay \$5 (mail to Carol Fernandez address above) to be added to our inactive members list. You will be listed in the Membership Book as *Inactive* and will remain on our e-mail list to receive all club communications.
